Re: TD Bank Long Beach

To our Long Beach Business Community,

TD Bank in Long Beach is still open but operating in a "Drive Through" only Capacity. I understand how this virus is impacting all of us, especially our Business Community. TD Bank is still offering our Small Business Lines of Credit, up to \$100K with no Financials. If interested, or if you have any questions, please Call me directly at 516-889-1119 or to apply, Visit our Secure Digital Application Link at <https://esecure.tdbank.com/net/sblending/>

Please Note: In the beginning of the application, there will be a question asking "Have you already spoken to a Banking Specialist"? Please answer Yes to this question, and enter 11561 as the Zip Code, this will ensure the application comes to me, and I will be your point of contact dealing with our Underwriters and Processors during the entire process.

### Lines of Credit

Lines of credit are typically used for quick access to cash for business expenses like:

- Rent
- Inventory
- Payroll
- Daily operations

Enjoy financial flexibility to manage your cash flow with a TD line of credit that can be paid down and used again as your business grows and changes.

- Best for borrowing \$10,000 to \$100,000
- Larger lines available for commercial-sized businesses
- Competitive variable interest rate
- Access your money by writing a check or transferring money online
- Interest-only payment option available

Thank You,
