MEMORANDUM

TO: All City of Long Beach Business Owners
FROM: Devin Parker, Superintendent of Sanitation
RE: Spring/Summer Dinner Schedule for Commercial Trash Collection

On Monday, May 2, 2022 the Sanitation Department will be launching our Spring/Summer dinner schedule along Park Avenue and West Beech Street in the commercial business areas. This schedule will run from Monday, May 2, 2022 until Sunday, October 2, 2022.

It is our goal to continue to maintain cleanliness during our busiest time of the year, and as we all know, the spring and summer months bring many people to the City of Long Beach from all over the world. Many tourist flock to our beach community giving a boost to our local economy. Most tourist will stop for a bite to eat, usually dining curbside. We all want everyone to enjoy the beauty of our city and enhance our businesses which is why we do not want trash sitting curbside all day long and into the night.

The dinner schedule will consist of two garbage pickups along Park Avenue & Beech Street. The first run will be before dinner and the second run will be after dinner. This run is strictly for commercial garbage pickup only from 4:00pm to 11:00pm.

The schedule for this program is as follows:

Assignment: Seasonal dinner run on commercial Park Avenue & Beech Street
Dates: May 2, 2022 through October 2, 2022
Time: Night shift 4:00pm to 11:00pm (7 days/week)
